

Thank you for taking The Next Step when it comes to Giving. You won't regret it. Remember: **Giving relocates our desires and reveals our devotion.** Taking time to do this could have a huge impact on your life. Please choose which step below is YOUR next step and go for it!

STEP 3: STAIR STEP GIVING

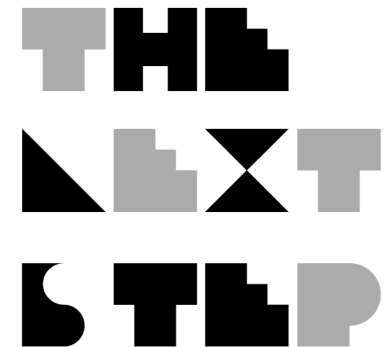

Just like the steps we have been talking about, step up your giving. Work towards or past the milestone of the tithe. Ask God what would be wise for you and your family at this time. Perhaps you can increase your giving a percent or reallocate money normally spent on something else to make a considerable step. Whatever God speaks, step into it boldly and watch God provide for your needs despite giving more than ever before. Your desires will relocate in a huge way.

STEP 2 : MAKE GIVING REGULAR

In the book of 2nd Corinthians, the apostle Paul tells people to set aside some of what they have each week for Giving. Talk to God and ask him to show you an amount or percentage for this next year. Then make the decision to be faithful to give it as often as you are paid. God will do amazing things through this.

STEP 1 : GIVE SOMETHING

There are many people who give absolutely nothing away each year. Not one dime to charity or an organization. Decide that this won't be you in 2014. Start off the year right by giving a one time gift to a church to help with ministry. This is a great first step towards relocating your desires.

You aren't responsible for understanding entirely where your faith journey is leading you... your just need to take THE NEXT STEP.
