

# OUR NEW ABNORMAL

TALK IT OVER

## Our New Abnormal

### The Big Idea

Our new abnormal lives could be a blessing by God to appreciate our old normal lives.

### Key Verse

1 Corinthians 15:58 NLT So, my dear brothers and sisters, be strong and immovable. Always work enthusiastically for the Lord, for you know that nothing you do for the Lord is ever useless.

### Start Talking

How are you handling your new abnormal?  
What do you miss the most about your old normal life? What new things have you found joy in?

### Start Thinking

Do you think that you took your old life for granted and didn't appreciate it as much as you should have?  
Do you feel as if you've used the extra time that you've had these past few weeks to grow closer to God?

### Start Sharing

What things are you spending your time on now?  
Do you feel as if you will appreciate your old life more now after going through all of this? Do you feel like you've grown closer or farther away from God these past few weeks by not having your normal routine?

### Start Doing

Look at the gifts that God has given you and appreciate them!  
Take this time of abnormality and grow in your faith and love of God!  
Read along with us and stay connected to us so that when we all get our normal lives back we won't be far behind.
