

WEEK FOUR

At The Movies Week 4 : E.T.

How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Debbie's Main Idea:

For those who've accepted Jesus as their Savior; this world is not our home; also since we are aliens here we need to stay in close contact (phone home) with our Savior so we don't risk our being picked up.

Discussion Questions:

The definition of E.T. or extra-terrestrial refers to any object or being beyond the planet earth. God is himself beyond the planet earth as are we who believe in Him.

- Have you ever thought of yourself as an extra-terrestrial?
- Have you noticed since becoming a follower of God that sometimes you feel as if you don't belong to this world?

Read and Discuss:

John 14:15-21

- What does this verse tell you about the Holy Spirit?
- Do you know the 10 Commandments?
- God promises that He will not abandon us who love Him; how does that make you feel?

Next Steps:

Understand where your home is now and commit yourself daily to phoning home by reading the bible and praying to God.

A Verse to Memorize:

Philippians 3:20 NLT

"But we are citizens of heaven, where the Lord Jesus Christ lives; and we are eagerly waiting for him to return as our Savior."

If you have any questions from this discussion or the message please email them to:
