

# TALK IT OVER

## **Bad. With Money. Week Two : Foolish. With Money.**

### **The Big Idea**

It's not our money. We're just managing it temporarily for God.

### **Key Verse**

(Matthew 6:21) "Wherever your treasure is, there the desires of your heart will also be."

### **Start Talking**

Have you ever done something dumb that seemed like a good idea at the time?

### **Start Thinking**

Why do you think God gives us so much freedom in our finances?

### **Start Sharing**

Was there anything in the messages you found interesting or surprising?

How does the thought of managing God's money change your perspective?

Do you ever ask God what He thinks before you make a purchase?

Do you think your money is going to the things your heart cares about the most, or are there things that are stealing money away from more important things?

Has debt ever caused stress or fear in your life?

How does your view of debt change when you think of it as spending money God hasn't given you yet?

### **Start Doing**

Re-evaluate your spending and ask Jesus how you should be managing and investing His money.
