

TALK IT OVER

Bad. With Money. Week Three : Selfish. With Money.

The Big Idea

God gives money to us that isn't for us.

Key Verse

(Luke 16:9) "Use your worldly resources to benefit others and make friends. Then, when your possessions are gone, they will welcome you to an eternal home."

Start Talking

Are you the person who always gives when you get asked to add a dollar to your bill or when there are people standing at an intersection?

Start Thinking

Do you think most people are generous?

Start Sharing

Was there anything in the messages you found interesting or surprising?

Do you think you naturally tend to be selfish?

Can you share a story of a time you were generous? How did it make you feel? Why do you think God gives us money to give to others?

How does the concept of collecting friends instead of things shift your perception on how you would live your life?

What are some concrete steps you or others could take to start planning for generosity?

Start Doing

Make a plan now for how much you want to start leaving in your monthly budget for generosity and begin to look for opportunities.
