

WEEK TWO

Doors Week 2 : Doors to Progress

How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Cameron's Main Idea:

IF YOU WALK IN HIS WAYS, YOU WALK IN HIS WILL.

Discussion Questions:

- What are you good at or passionate about?
- Have you ever considered that those things are gifts from God?
- What are some good ways to understand and apply God's ways to your life?
- Have you ever had a situation where you thought you were following God's will but realized that you didn't have it right?
- Was there anything in the message that stood out to you as interesting, intriguing, or challenging?

Read and Discuss:

Colossians 3:12-17

- Is there anything we can learn about God, the world around us, or ourselves from this verse?
- Do you think there is freedom in verse 17: saying "whatever you do or say"? Could God really mean that he will work in you whatever you choose?
- Is there any qualities listed in this verse that you struggle with and need to grow in?

Next Steps:

- Is there an area of your life which is not lined up with the ways of God? How can you move toward fixing that?
- Is there anything going on in your life right now that the rest of the subgroup could be praying for you?

A Verse to Memorize:

Romans 8:28 – "And we know that God causes everything to work together for the good of those who love God and are called according to his purpose for them."
