## Dumb Luck or Destiny Week 1 : Dumb Luck

### How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

### Cameron's Main Idea:

WHERE OTHERS SEE COINCIDENCE, WE SEE PROVIDENCE

### Discussion Questions:

- Have you ever experience any weird coincidences in your life?
- Do you think these experiences were just coincidences, or were some of them providence?
- Did anything stand out to you in this message? Something new you haven't heard?
- What are your feelings about the idea that God could already have appointments set up for you in your everyday life?
- What can you do this week to open your eyes to these appointments?

### Read and Discuss:

John 4:1-38

- Is there anything in this story that stands out to you that wasn't in the message?
- Have you ever had a coincidental conversation like this where the topic suddenly turns to God? Did you leverage that appointment or just let it pass you by?
- Jesus eludes to the fact of feeling satisfied almost like eating a good meal after this encounter with this woman in verses 31-34. Have you ever felt this?

### Next Steps:

Embrace your everyday life and open your eyes to identify the appointments God set out for you.

### A Verse to Memorize:

Proverbs 16:33 "We may throw the dice, but the Lord determines how they fall."
