## Fifty Shades of Grace Week 2 : Who and What?

### How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

### Cameron's Main Idea:

DON'T ACCEPT STANDARD SEX, UPGRADE TO SANCTIFIED SEX.

### Discussion Questions:

- Do you think not having sex before marriage is old fashioned and unrealistic?
- What is "standard" or normal in regards to sex in our culture today?
- Did anything stand out to you in this message? Something new you haven't heard?
- What benefits could you see of upgrading to sanctified sex?
- Do you think it's more difficult to maintain a sanctified sex life before or after marriage?

### Read and Discuss:

I Corinthians 7:1-9

- Is there anything we can learn about God, the world around us, or ourselves from this chapter?
- Do you think Paul's words clearly show that sex is meant for marriage?
- Why do you think conversation about married sex is important enough to be in the Bible?

### Next Steps:

What can you do to upgrade your sex life from standard to sanctified?

### A Verse to Memorize:

(I Thessalonians 4:3) "God's will is for you to be holy, so stay away from all sexual sin."
