

WEEK THREE

Fifty Shades of Grace Week 3 : Synthetic Sex

How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Cameron's Main Idea:

PORN KILLS SEX

Discussion Questions:

- What is your past experience with pornography?
- Did you believe porn was sinful before this message?
- Did anything stand out to you in this message? Something new you haven't heard?
- How does pornography give the user a warped view of sex?
- If you are using pornography, what are the next steps you need to take?
- How do you react to those who use pornography? Do you need to change your mindset to be available to help?

Read and Discuss:

Romans 6:12-23

- Is there anything we can learn about God, the world around us, or ourselves from this chapter?
- Has there ever been a time in your life where you have felt like a slave to your sin?
- Why do you think Paul says we should become slaves to righteous living instead of just saying we should be free?
