Holy Different Week One :: Family Resemblance

The Big Idea

Holiness is not religious performance. It's family resemblance.

Key Verse

(Ephesians 5:1) "Imitate God, therefore, in everything you do, because you are his dear children."

Start Talking

What are some of the ways that you notice you are like your parents?

Start Thinking

What do you think are the main things people think of when they talk about holiness?

Start Sharing

Was there anything in the messages you found interesting or surprising?

Why do you think it's important that God is holy?

Have you ever tried or been around people who have tried holiness that centered around a list of "do nots"?

(Isaiah 59:2 vibe) What did that feel like?

How does the mind shift to holiness being "family resemblance" instead of "religious performance" change how you approach this subject?

What are some of the ways you have already pursued holiness in your life since being adopted into God's family?

Start Doing

Ask God to show you areas in your life that need to become more holy in order to look more like Him.
