

## **Holy Different Week Two :: Not Beneficial**

### **The Big Idea**

Remove things from your life that are not beneficial to your holiness.

### **Key Verse**

(1 Corinthians 10:23-24) "You say, "I am allowed to do anything"—but not everything is good for you. You say, "I am allowed to do anything"—but not everything is beneficial."

### **Start Talking**

What areas of life do people look the least like Jesus?

### **Start Thinking**

Why do you think God wants us to remove sinful things from our lives?

### **Start Sharing**

Was there anything in the messages you found interesting or surprising?  
Have you ever removed something from your life because you didn't think it was beneficial for your faith?  
Are there areas of life that you think Christians tend to ignore conviction?  
How does the idea that God is always present change your view of holiness?  
Are there any things you watch or listen to that you think might need to be removed?

### **Start Doing**

Ask God to search your life and identify the things that are not beneficial to your holiness. Trust His wisdom and remove them.
