## How to Be a Tree

### How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

### Aimee's Main Idea:

In order to be a tree we must be planted, have roots, and produce fruit.

### Discussion Questions:

- Did anything stand out to you in this message? Something new you've never heard?
- Do you relate more to the description of the shrub or the tree?
- Do you ever struggle with wanting to be where someone else is in life?
- Have you ever tried meeting alone with God? How did it go?

### Read and Discuss:

John 15:1-16

- What stood out to you in this passage?
- What do we have to do in order to produce fruit?
- What kind of fruit do you think Jesus is talking about?

### Next Steps:

Begin meeting alone with God consistently and listening to His voice.

### A Verse to Memorize:

Jeremiah 17:7 (NLT) Blessed are those who trust in the Lord and have made the Lord their hope and confidence.
