I Hate Religion Week Three : Little Things

The Big Idea

Religion misses the big things by focussing on the little things.

Key Verse

(Matthew 23:23) “For you are careful to tithe even the tiniest income from your herb gardens, but you ignore the more important aspects of the law—justice, mercy, and faith. You should tithe, yes, but do not neglect the more important things.”

Start Talking

What are some of the silliest little things that you have seen religious people act like they are a big deal?

Start Thinking

Do you think most Christians are lacking information or inspiration when it comes to their faith?

Start Sharing

Was there anything in the messages you found interesting or surprising?
What are some of the common little things religious people have disagreed with you about? How can you be prepared in the future?
Cameron spent a lot of time talking about the misuse of the term “deeper” to mean knowing more. What are ways that you rightly want to go deeper in your trust in God?
Are there any parts of your faith where religion has stolen some of the glory of God?

Start Doing

Look over your life and remove any religion that is stealing glory away from God. Ask a friend to tell you if “Your religion is showing.”
