

WEEK ONE

Kids Will Be Kids Week 1 : But For

How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Debbie's Main Idea:

Children are a gift from God that we should cherish. If we model our faith in a real way for them then they will model it for their kids and so on and so on.

Discussion Questions:

- What are some of the things you wish that your parents taught you growing up?
- If you have an end game in sight where you want your kids to have a deep faith in God; how are you encouraging that?
- Do you consciously think about how it is you model your faith to the people around you or if you have children, how you model it to them?

Read and Discuss:

Deuteronomy 6:5-9 NLT

"And you must love the Lord your God with all your heart, all your soul, and all your strength. And you must commit yourselves wholeheartedly to these commands that I am giving you today. Repeat them again and again to your children. Talk about them when you are at home and when you are on the road, when you are going to bed and when you are getting up. Tie them to your hands and wear them on your forehead as reminders. Write them on the doorposts of your house and on your gates."

Next Steps:

Ask God to help you see what it is you put first in your life if it's not Him and change it. Seek Jesus with all your heart so that out of all you do it flows from your words and actions. Look for ways to discuss God's goodness in the everyday's of your life.

A Verse to Memorize:

Psalms 127:3 NLT "Children are a gift from the Lord; they are a reward from Him."
