

WEEK TWO

Kids Will Be Kids Week 2 : Love

How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Debbie's Main Idea:

Children are a gift from God that we should cherish. Our time and our words will have a great affect on how loved they feel by us.

Discussion Questions:

- What kind of childhood did you have when you were growing up? Did you feel as if you were loved?
- What kind of things do you remember doing with your kids or did you remember your parents doing with you that made you feel loved?
- Words have a powerful affect on us. How were words used in good or bad ways while you were growing up?

Read and Discuss:

Proverbs 18:21 NLT The tongue can bring death or life; those who love to talk will reap the consequences.

Next Steps:

Ask God to make you more aware of the time you spend with your kids or ask God to help you either forgive or thank your parents for the time that they gave to you.
We all know that words can hurt. Weigh your words before you say them.
Tell your kids and the people in your life that you love them. You can't say it enough.

A Verse to Memorize:

1 John 4:19 NLT We love each other because loved us first.
