

# WEEK THREE

## Kids Will Be Kids Week 3 : Limits

### How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

### Debbie's Main Idea:

Children are a gift from God that we should cherish. Raising children up with limits and disciplines in their lives will help them to become happy, balanced and self controlled adults.

### Discussion Questions:

- Have you considered before that discipline is actually a form of love that you show to your kids?
- Did your parents raise you with strict rules or were they more easy going when it came to discipline?
- Do you consider yourself a strict disciplinarian or have you been more lenient?
- Has how you parent showed in how you were disciplined as a child?
- What areas of discipline have you had a harder time with in raising your kids?

### Read and Discuss:

Matthew 12:5-11

### Next Steps:

Set up disciplines for your kids and faithfully follow them. Respect your children and teach them to respect you. Teach them to fear the Lord.

### A Verse to Memorize:

Ephesians 6:4 Fathers, do not provoke your children to anger by the way you treat them. Rather, bring them up with the discipline and instruction that comes from the Lord.
