

Leftovers

The Big Idea

God isn't impressed with the leftovers in our lives that we give to Him. He expects to be first and expects much more from us.

Key Verse

Malachi 1:6-13

Start Talking

What is the worst leftover you've ever eaten?
What leftover do you actually enjoy?
Why do you think it's so easy for people to turn from God?
What area of your life do you feel that you have given him your leftovers?

Start Thinking

Matthew 22:37 NLT Jesus replied, "'You must love the LORD your God with all your heart, all your soul, and all your mind.'

Start Sharing

Has there been a time in your life where you felt more distant in your love of God? Why did that happen?
How did you grow close again?
What are those things that are clamoring for your attention right now and you find it's difficult in not allowing them to be first?
How do you keep from giving God your leftovers?

Start Doing

Examine your heart. What areas of your life do you need to change? Ask God to forgive you and truly vow to make Him priority.
Start putting Him first in your schedule - not last!
