

TALK IT OVER

Mind the Gap Week Two : Money

The Big Idea

Do you have enough faith to trust God with your money?

Key Verse

(1 Timothy 6:17) "Teach those who are rich in this world not to be proud and not to trust in their money, which is so unreliable. Their trust should be in God, who richly gives us all we need for our enjoyment."

Start Talking

Have you ever given to a church or ministry?
Did anything stand out to you in the message? Something new you haven't heard?

Start Thinking

Why do you think people don't apply their faith to their money?
Why do you think there is so much push back to talking about money and faith together?

Start Sharing

What are some things you have spent money on that you regret?
Do you think you are a generous person? Where do you give?
What is scary about giving to God first? Do you see the benefits?
Do you have a lot of stress with money? Is it possible it comes from you trying to handle it on your own instead of with God's help?
What is the obstacle you have to break through to trust God with your money?

Start Doing

Take a step of faith with your money and see if God won't prove himself trustworthy.
