

## TALK IT OVER

### **Mind the Gap Week Three: This Life**

#### **The Big Idea**

Do you have enough faith to trust God with your life here on earth?

#### **Key Verse**

((2 Thessalonians 1:11-12) "So we keep on praying for you, asking our God to enable you to live a life worthy of his call. May he give you the power to accomplish all the good things your faith prompts you to do. Then the name of our Lord Jesus will be honored because of the way you live, and you will be honored along with him. This is all made possible because of the grace of our God and Lord, Jesus Christ"

#### **Start Talking**

What are the most important things in your life?  
Did anything stand out to you in the message? Something new you haven't heard?

#### **Start Thinking**

Do you think most people turn to faith to live this life or as insurance for the next life?  
Why do you think many people who say they believe in Jesus don't trust his wisdom for this life?

#### **Start Sharing**

Do you think about yourself or God being in charge of your life?  
Do you think it is easier to die for your faith or live for it?  
What are sins that you have kept around too long and need to kill off?  
Have their been or are their currently subjects that your feelings don't agree with God's word? How did/do you walk through this?  
What can the group do to help you kill sin or walk through trusting God in your life?

#### **Start Doing**

Decide what it is in this life that you don't trust God with yet and step out in faith in that area to see if he will prove himself trustworthy.
