

WEEK ONE

Romantically Inclined Week 1 : Perspective

How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

Cameron's Main Idea:

The conversation of relationships and sex belongs in the church. Our love lives are not separate from our faith.

Discussion Questions:

- In your faith upbringing, was the church influential in forming your views on relationships and your love life?
- Was there anything in the message that stood out to you as interesting, intriguing, or challenging?
- Do you think that the world has a healthy view of relationships, romance, and sex at this time? Why or why not?
- Why do you think God would give instructions to go along with sex?
- Do you believe what the Bible says in regards to romance and relationships? How does this affect your life?

Read and Discuss:

1 Thessalonians 4:1-8

- Is there anything we can learn about God, the world around us, or ourselves from this verse?
- What are some practical ways to live "holy" in light of this verse?

Next Steps:

- Is there anything going on in your life right now that the rest of the subgroup could be praying for you?
- Is there something that God is pointing out in your life in regards to this message which needs change or growth?

A Verse to Memorize:

Colossians 3:5 — So put to death the sinful, earthly things lurking within you. Have nothing to do with sexual immorality, impurity, lust and evil desires.
