

# WEEK FOUR

## Romantically Inclined Week 4 : Purity

### How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

### Special Note:

Some of the application to this message might not be appropriate to discuss in mixed gender company. If there is application to your life (in the area of pornography) you will need to pull aside a group of men or women to discuss, pray, help.

### Cameron's Main Idea:

We must keep ourselves from consuming the sex saturated products of the world with our eyes and ears.

### Discussion Questions:

- What was your favorite movie you have seen this year?
- Cameron said that we “are what we eat” when it comes to what we watch and listen to based on Matthew 6:22-23. Do you think these things effect us in any way?
- What are practical steps that you take or plan on taking to censor what you see?
- What steps are you taking as a family to protect yourself and kids from pornography?
- If you are struggling with pornography, you need to tell someone asap.

### Read and Discuss:

2 Timothy 2:20-22)

- Is there anything we can learn about God, the world around us, or ourselves from this verse?
- Are there things that you feel might need to be removed from your life in response?

### Next Steps:

- Is there anything going on in your life right now that the rest of the subgroup or a small group of men or women could be praying for you?

### A Verse to Memorize:

Ephesians 5:11 —Take no part in the worthless deeds of evil and darkness; instead, expose them.
