

# WEEK ONE

## Social Networking Week 1 : The Fakeness of “Friendship”

### How to Use Talk It Over:

This resource is to help you and your group discuss, in greater detail, the messages at Ax. The hope is for you to remember the content, read scripture, and discuss the application to your own life.

### Debbie’s Main Idea:

People seem to have more “friends” than ever, yet statistics prove they are lonelier than ever before. Facebook and social media has value but it needs to be balanced by having genuine close friendships in our lives.

### Discussion Questions:

- How many “friends” do you have on Facebook or your other social media pages?
- Have you ever felt pressured to get more friends on those pages?
- Have you ever been insincere and liked a “friends” post when you really didn’t like it?
- How many close friends do you have? Why do you consider them your friends?
- How much time do you spend with your real friends compared to your Facebook “friends”?

### Read and Discuss:

Proverbs 17:17 NLT - “A friend is always loyal and a brother is born to help in time of need.”

### Next Steps:

- Consciously think about who you are on social media and ask Jesus to help you to be a true friend to those you really care about and care about you.

### A Verse to Memorize:

Hebrews 10:24, 25 NLT

“Let us think of ways to motivate one another to acts of love and good works. And let us not neglect our meeting together, as some people do, but encourage one another especially now the at the day of His return is drawing near.”
