## Success in 2 Simple Steps

### The Big Idea

By following a simple plan of trusting and obeying God we can be successful in our faith.

### Key Verse

Psalm 9:10 NLT Those who know your name trust in you, for you, O Lord, do not abandon those who search for you.

John 14:21 NLT Those who accept my commandments and obey them are the ones who love me. And because they love me, my Father will love them. And I will love them and reveal myself to each of them.”

### Start Talking

Have you struggled with trusting God?  
Has trusting or obeying God been more difficult for you?

### Start Thinking

Do you believe in God or are you trusting in Him?  
What are some of the things that you've struggled with trusting God about?  
In the past have you looked at obeying God as more of an option and less of a command?

### Start Sharing

Share a time when you trusted God for something and He proved His faithfulness to you. Have you seen either in your life or someone else's how God punished their disobedience?

### Start Doing

Examine your faith and ask yourself if you are more of a believer than you are a truster of God. Read His Word and allow it to show you His love and faithfulness.  
Read His Word and allow it to show you His commands.  
Trust and obey Him!
