Start Talking

What is the most difficult part of putting bible reading into your schedule? Do you or have you ever felt that the bible was "out of date?"

How do you feel about God commanding us to do and not do things?

Start Thinking

Hebrews 4:12 NIV For the word of God is alive and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart.

Start Sharing

What has surprised you the most about God's Word?

Have you ever had the bible "speak" to you directly about something you were struggling with? Have you found over time with listening to the bible or reading it that you have been able to recall it or recite it?

Start Doing

Allow God to have access into our lives by reading His Word.

Submit to God and follow His commandments.

Let the Word of God remind you of all the love that God has for you!
