

WEEK TWO

Whoaments Week 2: We Have Seen Amazing Things Today

Cameron's Main Idea:

OUR PHYSICAL AFFLICTIONS EXIST THAT WE MIGHT SEE GOD'S GREATNESS

Discussion Questions:

- Have you ever dealt with sickness personally or within your family?
- Did anything stand out to you in this message? Something new you haven't heard?
- Are there any people you should be carrying to Jesus like these men in the story?
- Have you ever seen a physical healing miracle?
- How does it still show God's greatness when we get to BE the miracle if healing doesn't come right away?

Read and Discuss:

John 11:1-44

- Is there anything we can learn about God, the world around us, or ourselves from this chapter?
- Pick out the verses that reveal the reason for Jesus' actions in this story. What do they reveal?
- If Jesus raised Lazarus from the dead, does that give you confidence in whatever sickness you or your family might be facing?

Next Steps:

If there is anyone in the group walking this path or physical affliction, pray for them as a group and believe God will reveal his greatness.

A Verse to Memorize:

Revelation 21:4 "He will wipe every tear from their eyes, and there will be no more death or sorrow or crying or pain. All these things are gone forever."
