

Why Are You Angry Week Four: Righteous

The Big Idea

We are made in God's image and He was slow to anger. This is the way that God wants us to be, not blowing up in our anger and not having no anger at all but to have anger within boundaries for the things that we truly love and care about.

Key Verse

Ephesians 4:26,27 NIV In your anger do not sin, do not let the sun go down while you are still angry, and do not give the devil a foothold.

Start Talking

Have you thought that anger was a sin?
Do you have a hard time admitting that you are angry?
Would you consider yourself a person who can be described as passionate or zealous?

Start Thinking

Read and discuss John 2:13-17

Start Sharing

What do you love?
What do you find yourself being the most angry about?
After reading about how Jesus responded in the temple; what do you feel about Him?

Start Doing

Think about the things that you love.
Think before you act, don't blow up, don't NO up but instead be slow up to anger! Understand that when you truly love God that you'll begin to be more angry about the things that He is angry about.
